Transferring Service

In the event that you are unable to attend the online training you have booked and paid for, you are unable to transfer sessions to another day and time.

Refunds

- 1 We may cancel the Online Training Service for any reason by written notice to you. We will also refund you the Investment you actually paid to us within 10 days of giving you notice of cancellation. We shall have no further liability to you in respect of the cancellation.
- 2. Refund Policy – you acknowledge that you shall not be entitled to, and shall not claim a refund if you cancel your attendance or can't attend the online training on any given day. You further acknowledge that this is an essential term of this agreement on which we rely.

What is the reason for this policy?

From the date that you make the initial deposit or payment to attend an event, we begin planning for your attendance and incur costs accordingly, even up to twelve months before the event. Our refund policy reflects this, with the following explanations.

What happens to my money if I don't turn up or cannot attend? If you don't attend one or any of the online sessions you will forfeit any money paid. Remember, we have already accounted for your attendance in our expenditure so it is not possible to either obtain a refund, or have the funds paid held in credit for another event.
